

CITY OF NEWARK
Delaware

CONTRACT NO. 17-12

CAMERA AND OTHER EQUIPMENT FOR THE NEWARK RESERVOIR

ADDENDUM NO. 1

June 22, 2017

This addendum provides clarification and responses to requests for information (RFIs) received via email on June 21, 2017.

Questions and Responses:

- Q: Please clarify that you do not want us to price the TrendNet and Ubiquiti Items.
- R: *No, please do not price TrendNet and Ubiquiti.*
- Q: Please clarify an item number for the Solar panel(s), Battery, Cabinet, and Charge Controller.
- R: *Solar Panel(s) – MaxPower CS6X 320P
Battery – PHI2.6Kw Smart Tech Battery
Cabinet – Non-specific (scope based on need)
Charge Controller – Non-specific (scope based on need)*
- Q: Please specify a type of wire and how much wiring needed?
- R: *No specific type of wire is requested. Assume all equipment will be installed vertically within 5 feet of utility pole.*
- Q: What would the bond cover?
- R: *The bid bond provides security to the City in order to ensure that all components of the contract are fully executed.*
